

Klapa Klinic with the Yeseta Brothers

What do you get when you mix some of the most beautiful music in the world with some of the best singing voices at the Extravaganza? The Klapa Klinic with the Yeseta Brothers, of course!

The word "Klapa" translates as "group of friends". What better way to learn about this traditional form of *a cappella* singing than with a group of

your TAA friends and the very talented Yeseta Brothers. During this workshop you will learn about the history of Klapa, its popularity today, and even learn to sing a song or two in unique "Klapa" harmony!

The Yeseta Brothers are the perfect choice to lead this workshop. They are not only gifted musicians, but they remain ever popular with their personable style that connects them to their audiences. We have enjoyed their magnificent harmonies for many years on the Extravaganza stage and we are thrilled that they have agreed to lead this 'not-to-be-missed' event. At the conclusion of the workshop, there just may be a short, casual Klapa performance in your future!

Klapa music traditionally celebrates love, wine, homeland and/or the sea. Come join the Yeseta Brothers for the TAA's first Klapa Klinic where we will celebrate our love of music and singing with our TAA friends!
